

REMARKS

By means of the present amendment, the specification has been amended to include a claim of priority.

Claim 21 has been changed in form only to comply with U.S. patent practice. The amendment to the claims does not address issues of patentability and Applicants respectfully reserve all rights they may have under the Doctrine of Equivalents. Applicants furthermore reserve their right to reintroduce subject matter deleted herein at a later time during the prosecution of this application or continuing applications

In view of the foregoing amendments and remarks, Applicant respectfully requests favorable reconsideration and early passage to issue of the present application.

Respectfully submitted,
